FCCLA heads to Lincoln for leadership clinic

LINCOLN— On Sunday, April 2 Osmond FCCLA students Makayla Boyle, Aleia Kumm, Jessica Jensen, and Leslie Jensen departed Osmond to attend FCCLA State Leadership Conference in Lincoln.

The first night of the conference the students attended the Opening General Session in the Pinnacle Bank Arena where they listened to the introduction of attendees and keynote speaker Johan Khalilian.

The next day students attended breakout sessions. The first session was called "Open Book" where we were given leadership advice from Johan Khalilian.

(L-R— Aleia Kumm, Jessica Jensen, Johan Khalilian, Makayla Boyle, and Leslie Jensen)

The second session attended was "Red Flags in Relationships" where students listened to Dr. Christie Brungardt.

The third session attended was called "Sold! The Cost of Human Trafficking" presented by Ms. Robin Phipps.

After attending these sessions, the students went on a tour of the Nebraska state capitol, which, after surveying the attendees, was voted their favorite event

After attending the capitol, students attended one last session called "Proactive or Procrastinating" where most of them discovered they would be considered procrastinators, but don't worry, they learned how to fix their mindset.

After this session, they had quite a large interlude of nothing to do, so they visited a candy shop called "Rocket Fizz" before heading back to the hotel.

At 9:00 A.M. the students went to the FCCLA dance where they had lots of fun, but, being the responsible leaders they are, they decided to leave the dance early to get to bed at a reasonable time.

On the last day of SLC the students attended a Closing Session and a District Meeting. At the closing session students watched new students become State Officers.

At the district meeting students voted on a theme for next year's District Leadership Conference which will be hosted by Osmond next year (but will be held Northeast Community College).

Overall, the students had a great time and really want to encourage more

students to attend next year, and our goal is to participate in more events.

Tigers walk at work/school

"Did you know Americans spend an average of 13 hours a day sitting?" Marketing Manager for Blue Cross/Blue Shield of Nebraska Sara Cline said.

Well, the Osmond Tigers were not sitting around on Thursday, April 27. This was Blue Cross/Blue Shield of Nebraska's (BCBSNE) Walk at Work Day.

Several participants from Osmond Community Schools (staff and students) took time out of their day to walk.

The gym was open from 7:15 A.M. to 8:45 A.M. for staff and students to walk around the gym for roughly thirty minutes.

"Standing up once an hour can improve your health, and walking for just thirty minutes a day can reduce the risk of chronic illnesses, improve muscle tone and reduce stress!" Cline said.

Several incentives were offered to those schools throughout the state who participated.

For each school/business/organization that registered for the event, BCBSNE donated \$20 to Special Olympics Nebraska.

For everyone that registered, BCBSNE donated \$1 to Special Olympics Nebraska.

The Tigers registered both the high school and elementary school. They registered 195 students and thirty nine staff members.

"As of April 25, there were more than 30,500 registered participants; that's a \$5,148 donation to Special Olympics Nebraska!" Cline said.
